Specifications

Design and finishing

- Materials: Frosted glass

Technical specifications

- Voltage: 100-240 V
- Charging: Charger base
- Charging time: 12 hour(s)

Highlights

Tilt to turn on and off

Just tilt to the side to turn the light on at the flick of your wrist! Surprisingly easy and fun to use.

Moodlights

Help you create a romantic atmosphere and, in combination with your caresses, can heighten your pleasure and get you both in the mood for intimacy.

Set of three

Set of three moodlights with frosted glass to give a warm, flickering glow.

Safe to use

There is no open flame and they are unaffected by wind.

Up to 24 hours of use

The moodlights can be used continuously for up to 24 hours, and only take 12 hours to fully recharge!
